Re: *USA v. Patrick Badal*  
*16 Cr. 497 (ALC)*

Dear Judge Carter:

We represent Patrick Badal, who was sentenced on May 31, 2018 to, among other things, three years of supervised release. He has yet to be assigned a probation officer in the Eastern District of New York, where he resides.

I have been informed by Pretrial Services that it still possesses Mr. Badal's United States passport. Pretrial Services further advises that if it does not receive a court order within 90 days of the date when sentence was imposed permitting release of the passport, it must return the passport to the Department of State.

As such, we respectfully request that the Court order Pretrial Services to return Mr. Badal's passport to him. Neither Pre-Trial Services Officer Lettieri nor the government object to the return of the passport.

Mr. Badal does not intend to request permission to travel until he has established a good rapport with his new Probation Officer.

Thank you for your consideration.

The application is ☒ granted.  
☒ denied.

Respectfully submitted,

  
 Andrew L. Carter Jr, U.S.D.J.
